EL PASO COUNTY REPUBLICANS

Dear El Paso County Republicans,

Our Central Committee is already buzzing with energy in [preparation for the 2020 election](#).

Our County is the second largest and most Republican County in Colorado. This gives us the unique opportunity to contribute to Senator Cory Gardner's reelection.

How can we do that? By increasing voter turn-out to help make up the difference in other parts of the state that have gone blue.

[Why is Senator Gardner's reelection so critical?](#) First and foremost, his vote in the Senate is essential for the confirmation of federal judges, and for the likely confirmation of the next Supreme Court Justice.

[We are heading into the most important election since 2016](#) and we are in it to win it.

For freedom,

Tamra Farah
